1.	Page 2, Clause 2.0 Scope of Work, Sl No. iii. b.	iii. Maintenance & Monetization of Existing assets b. Technical and legal due diligence of existing assets	With reference to the scope of work concerning requirement of legal due diligence of existing assets, we request the Authority to kindly remove the scope of work pertaining to legal due diligence of existing assets, since any firm which is not a legal firm is not permitted to provide legal services from its own staff due to the prohibition under the Advocates Act, 1961. Alternatively, request to kindly allow the empanelled Consultant to recommend a list of legal personnel or law firms that can facilitate "legal services" for the Authority. In case the said services are to be rendered by the Empanelled Consultant, then it is our understanding that the Empanelled Consultant would be allowed to engage the services of legal personnel or law firms through a sub-contract that can facilitate "legal services" for the client but such "legal services" will not form a part of the services of the Empanelled Consultant, and any hired legal personnel or law firms that can facilitate "legal services" for the Authority will be solely responsible for such "legal services" to the Authority. The Empanelled Consultant will not be responsible or liable to the client for the "legal services". Further, Fee for Empanelled Consultant's services and fee for hired legal personnel or law firms / "legal services" for the Authority will be separately mentioned while sending invoices to the Authority, which will be collected by the Empanelled Consultant and paid to hired legal personnel or law firms that are providing "legal services" on a reimbursement basis without taking any margin on the "legal services" fees. Request the Authority to kindly confirm the same. Preparation of architectural, structural, and layout drawings. d. Engineering design and detailed cost estimation g. Preparation of the Techno-Economic Feasibility Report (TEFR) h. Conducting Environmental Impact Assessment (EIA) and related studies	Considering that the Authority intends to empanel consultants for scope of services encompassing both technical and financial advisory services, the Authority may kindly note that generally services such as architectural and layout drawings, structural designing, environmental impact assessment and related studies are carried out by separate firms engaged in such line of business compared to those firms providing the rest of the scope of work mentioned in the said clause such as financial feasibility, PPP project advisory, demand forecasting and analysis, capacity building etc. Therefore, it is our understanding that the Empanelled Consultants would be allowed to sub-contract such scope of services at the RFP stage of individual projects. 3.	Page 3, Clause 3.4	The controlling stake in the firm should be held by an Indian entity/ person and the law firm shall submit a declaration with respect to the same	It has been mentioned as law firm in the said clause and since this EOI concerns empanelment of consultancy firms involved in the techno-financial advisory services, it is our understanding that this clause may not be relevant in the context of this EOI. Further, we also understand that the said clause is not relevant in case of a Limited Liability Partnership (LLP) and thus such a declaration need not be provided in the case of an LLP. Request to kindly confirm	NA	Clause 3.4 The controlling stake in the firm should be held by an Indian entity/ person and the firm shall submit a declaration with respect to the same

5.	Page 3, Clause 3.6	The key personnel of the firm should have experience of more than 05 years having undertaken consultancy assignments in the area. CV of key personnel needs to be submitted along with work experience details as per Annexure-V.	Since there are multiple key personnel having experience of more than 5 years in the relevant fields and further specific details of key personnel will be sought at the RFP stage of individual projects, it is our understanding that the Applicants may showcase CVs of 5 nos. of key personnel CVs and attach the summary of other key personnel satisfying the said criteria. 8.	Page 4, Clause 4.5 and Page 9, Annexure IV	The Annual turnover of the Firm and Profit and Loss Account statement by way of Professional Fees/ consultancy operations for the last three years, duly certified by a Chartered Accountant shall be submitted along with UDIN No. The above should be supported by copies of Audited Balance Sheet and Chartered accountant certificate and in case of applicant being sole proprietor / member, the Income Tax Return (ITR) of last three years ending March, 2025 shall be furnished.	We understand that March 2025 is typo error and it must be March 2026. We respectfully submit that the requirement to furnish Average annual turnover and audited financial statements for the last three financial years "ending March 2026" may kindly be reconsidered / clarified. As per the applicable Income Tax laws and timelines prescribed by the Government of India, the filing of Income Tax Returns for Financial Year 2025-26 (Assessment Year 2026-27) will not be completed by most applicants at the time of submission of this EOI, since: ☐ The statutory due date for filing ITRs generally extends beyond March 2026 (i.e., after the close of the financial year), and ☐ Adequate time is provided under law for preparation, audit (where applicable), and filing of such returns. Accordingly, audited financial statements for FY 2025-26 at this stage may lead to practical constraints despite the capability of the applicants. Therefore, we request to kindly revise the clause and said Annexure to suitably consider average annual turnover and financial statements for FY 2022-23, FY 2023-24 and FY 2024-25	Same as published EoI	NA

Copy of Aadhaar No. of all the Directors of the Firm or at least three Directors of the Firm if the Directors are more than three.	Since such a clause is not applicable in the case of LLP as LLPs do not have Directors, request to kindly consider the submission of PAN in the name of only the firm and also correspondingly omit the requirements pertaining to Aadhar in case the Applicant is an LLP	NA	4.6 Copy of Permanent Account Number (PAN) in the name of the Firm and in the name of all the Directors/Partner of the Firm or at least three Directors/Partner of the Firm if the Directors/Partners are more than three. 4.7.
