A. ELIGIBILITY

1. HUDCO empanel valuer is eligible to quote their rates pertaining to the engagement in the proposed works.

2. The value of immovable property shall be governed by the Chapter VII B of the Wealth tax Act, 1957 and rules made there under unless stated otherwise in HUDCO norms in this behalf from time to time. These rules only permit registration of an individual as Govt. Registered Valuer, who fulfils the laid down criteria of qualification and experience in the respective field. Further Section 34AC of Wealth Tax Act imposes certain Restrictions on practice as registered valuer-

(a) No person, either alone or in partnership with any other person, shall practice, describe himself or hold himself out as a registered valuer for the purposes of this Act or permit himself to be so described or held out, unless he is registered as a valuer or, as the case may be, unless he and all his partners are so registered under this chapter.

(b) No company or other body corporate shall practise, describe itself or hold itself out as registered valuers for the purposes of this Act or permit itself to be so described or held out.

B. SCOPE OF WORK:

1. The value of immovable property shall have to make an unprejudiced and factual valuation of the immovable properties, which he is required to value as per the Guidelines prescribed by HUDCO from time to time.
2. The value of immovable property shall furnish report of such valuation in HUDCO's format, charge fees at a rate not exceeding the rate or rates prescribed in the erstwhile Wealth-tax Act, 1957 and not undertake valuation of any assets in which he has a direct or indirect interest.
3. The value of immovable property shall have to:-

- exhaustively and understandably carry out the valuation and give the valuation report in a manner that will not be deceptive.
- present adequate information to allow those who read and trust on the report to fully understand the data, reasoning, analysis and conclusion underlying the valuer's finding, opinions and conclusions.
- clearly identify and describe the property being valued and the rights associated with the property to be valued.
- define the value being estimated and state the purpose of the valuation, the effective valuation date and the date of the report.
- fully and exhaustively explain the valuation basis applied and the reasons for their applications and conclusions.
- state realistic and practicable assumptions and limiting conditions upon which the valuation is based.
- avoid ambiguous, flimsy assumptions and limiting conditions.
- furnish a signed professional certificate of objectivity, non-bias, professional contribution and other relevant disclosures along with the valuation report.
