1.0 परिचय और संक्षिप्त कार्यक्षेत्र /INTRODUCTION AND BRIEF SCOPE WORK

About HUDCO and Project Background

Housing and Urban Development Corporation Limited (HUDCO) was established in 1970 under the Companies Act, 1956 (now governed by the Companies Act, 2013). HUDCO is presently classified as a Non-Banking Financial Company – Infrastructure Finance Company (NBFC-IFC) and is regulated by the Reserve Bank of India (RBI). It is a Navratna Central Public Sector Enterprise (CPSE) under the administrative control of the Ministry of Housing and Urban Affairs, Government of India, and is listed on both the National Stock Exchange (NSE) and the Bombay Stock Exchange (BSE).

Over the last five decades, HUDCO has emerged as a premier techno-financing institution in the field of housing and urban infrastructure development, contributing significantly to the socio-economic progress of the country. The Corporate Office of HUDCO is located at HUDCO Bhawan, India Habitat Centre, Lodhi Road, New Delhi - 110003. The organization has an extensive pan-India presence through its network of 20 Regional Offices and 11 Development Offices. Further details regarding HUDCO, its vision, mission, objectives, and activities are available on its official website <https://hudco.org.in>.

As part of its Corporate Social Responsibility (CSR) initiatives and in alignment with the Government of India's focus on sustainable urban development, clean mobility, and environmental conservation, HUDCO proposes to procure Electric Vehicle (EV) Garbage Dumpers/Tippers equipped with Twin-Bin Payload Systems for the segregated collection of dry and wet municipal solid waste. The initiative aims to strengthen municipal solid waste management systems while reducing carbon emissions, operational costs, and noise pollution associated with conventional waste collection vehicles.

Accordingly, HUDCO intends to procure and supply Electric Vehicle (EV) Garbage Dumpers/Tippers equipped with Twin-Bin Payload Systems for deployment in selected Urban Local Bodies (ULBs) of Himachal Pradesh.

Scope of Work

The scope of work shall comprise the design (where applicable), manufacture, supply, transportation, delivery, branding, commissioning, testing, handover, and after-sales support of Electric Vehicle (EV) Garbage Dumpers/Tippers equipped with Twin-Bin Payload Systems for the segregated collection of dry and wet municipal solid waste at designated ULBs in Himachal Pradesh under HUDCO's CSR initiative. The successful bidder shall supply fully built and roadworthy vehicles conforming to the prescribed technical specifications and duly certified by competent authorities such as ARAI/iCAT and compliant with applicable CMVR provisions. The bidder shall also undertake permanent HUDCO branding on each vehicle, deliver the vehicles to designated locations within the stipulated delivery period, facilitate successful commissioning and handover to the respective ULBs, and provide comprehensive warranty and after-sales service support, including timely maintenance, repair, and rectification of defects during the warranty period. HUDCO reserves the right to increase or decrease the quantity of vehicles to be
