

**Distribution of Assistive devices /Equipment through CSR assistance from Housing & Urban Development Corporation Limited (HUDCO) to Divyangjan (Persons with disability/ PwDs) by Artificial Limbs Manufacture Corporation of India (ALIMCO).**

This CSR activity by HUDCO aimed to address the needs and rights of people with disabilities by providing them with necessary equipment and support.

The partnership between HUDCO and ALIMCO helped to bridge the gap and make it easier for differently abled individuals to access the necessary devices, tools and resources to lead a more independent, empowered and dignified life.

This HUDCO's CSR initiative has not only benefited the individuals with disabilities but also helped create a more inclusive and reachable society.

As a result of this CSR activity, HUDCO was able to address the specific needs of the disabled community and provide them with necessary equipment and devices.
