04 Repurposing Efforts

05 Partnership with States

HUDCO - A Unique Institution

Financing Infrastructure for Viksit Bharat

56+ **YEARS OF EXPERTISE**

Techno-financial institution

01 Integrated Services

Financing, consultancy and capacity building for housing and infrastructure projects

02 Strong State Partnerships

Multi-sector partnerships with State Governments and their agencies

03 National Missions

PMAY 2.0, UCF, Smart City, AMRUT and Jal Jeevan Mission

04 Listed Company

75% ownership of the Government of India

05 Navratna CPSE

Registered with RBI as an NBFC-IFC

06 Profitability with Social Justice

Consistently **profit-making** with the motto "Profitability with Social Justice"

Building Infrastructure, Building Bharat

Major Milestones: HFC to IFC

1970–80

Inception & pioneering

- 1970: Incorporated as a development institution
- Addressing India's housing shortage

1980–90

Diversification

- 1985: HSMI training arm
- 1989: Urban infrastructure window

1990–2000

Government recognition

- Key role in 2MHP
- PM's award for top 10 PSUs

2000–10

Miniratna accreditation

- ₹2,500 cr authorised capital
- 2002: Schedule-A
- 2004: Miniratna-I

2010–20

Enhanced market standing

- AAA credit rating
- Public issue of tax-free bonds
- IPO (2017)

Post 2020

Breakthrough & wealth creation

- Navratna and NBFC-IFC
- Exponential growth
- Massive shareholder returns
- 54EC and zero-coupon bonds

2025

Repurposing of HUDCO

- Launch of Urban Invest Window (UiWIN)
- Partnerships with States

"Excellent" MoU rating for FY24 and FY25

Second consecutive year, ahead of many peers, with consistent operational and financial excellence

Figures in brackets indicate negative amounts.

Key Indicators: Loan Portfolio & Margins

Half Yearly and Annual Comparison

Particulars	H1 FY27		H1 FY26		FY26	
	Incl. EBR	Excl. EBR	Incl. EBR	Excl. EBR	Incl. EBR	Excl. EBR
Loan portfolio (₹ crore)	1,86,111	**1,66,111**	1,44,554	**1,24,554**	1,60,724	**1,40,724**
Yield on loan (%)	8.83%	**8.82%**	9.12%	**9.17%**	9.13%	**9.18%**
Cost of funds (%)	7.07%	**6.86%**	7.04%	**6.75%**	7.17%	**6.93%**
Interest spread (%)	1.76%	**1.96%**	2.08%	**2.42%**	1.96%	**2.25%**
Net interest margin (%)	2.64%	**2.93%**	2.98%	**3.43%**	2.91%	**3.31%**

EBR Amount – ₹ 20,000 Cr.

Calculation basis

01 Yield on loan = interest income on loan assets (including interest received on settlement of NPA cases) ÷ average loan assets.

02 Cost of funds = interest expenses ÷ average total borrowings.

03 Interest spread = yield on loan minus cost of funds.

04 Net interest margin = net interest income on interest earning assets ÷ average interest earning assets.

Key Indicators: Capital & Returns

Capital, leverage and shareholder returns

Particulars	H1 FY27	H1 FY26	FY26
Interest coverage ratio (times)	**1.40**	1.42	1.36
Debt equity ratio (times)	**7.16**	6.98	6.43
Debt equity ratio (times) Excl. GoI fully serviced bonds / EBR	**6.29**	5.87	5.52
Return on assets (%, annualized)	**1.95**	1.93	2.73
Return on equity (%, annualized)	**15.35**	14.86	18.36
Net worth (₹ crore)	**22,959.05**	18,037.03	21,977.20
Average net worth (₹ crore)	**22,468.13**	18,003.41	19,973.50
Book value per share (₹, face value ₹10)	**114.69**	90.10	109.78
Earnings per share (annualized, ₹)	**17.60**	13.38	20.15

Calculation basis

01 Interest coverage ratio = earnings before interest and tax ÷ finance cost.

02 Debt equity ratio = total debt ÷ equity.

03 Return on equity = profit after tax for the period ÷ shareholders' fund at period end, as a percentage.

04 Return on average assets (after tax) = PAT for the period ÷ average total assets.

India’s Future Infrastructure Needs

Urban growth and climate risks call for sustained investment

World Bank outlook (2025)

US$2.4 trillion+

Urban investment needed by 2050 for resilient, low-carbon infrastructure and services

951 million

Urban residents projected by 2050
Nearly double the 2020 population

>50%

Of urban infrastructure required for 2050 still to be built

144 million+

New urban homes needed by 2070
Demand for affordable, resilient housing

US$5 billion

Annual flood losses avoidable by 2030 with timely adaptation

Urban housing and mass transit

Water, sanitation and resource recovery

Municipal finance gap — RBI (2024): most municipal corporations lack sufficient own revenues to meet revenue expenditure and remain heavily reliant on grants.

Sources: World Bank report (2025) RBI Municipal Finances (2024) World Bank estimates cover urban assets and services. Projection horizons vary.

GoI Initiatives Supporting Infrastructure

Urban Challenge Fund (UCF)

Paradigm shift from grant-based funding to bankable urban projects

₹1 lakh crore
Central assistance

~₹4 lakh crore
Investment envisaged over five years

Project funding framework

Up to 25%
Central assistance

At least 50%
Market finance
Bonds, bank loans and PPPs

Balance
States/UTs, ULBs
or other sources

Bankable projects

Revenue and repayment
Reliable revenues and secure escrow-backed cash flows

Delivery and sustainability
Credible DPRs and city reforms
Funded operations and maintenance

Competitive challenge-based project selection

Three priority areas

- **Cities as Growth Hubs**
- **Creative Redevelopment of Cities**
- **Water and Sanitation**

PPP focus

Prefer PPPs for projects with identified revenues and clear risk sharing
Private capital and expertise, with service standards and sustainable O&M

Sources: MoHUA Guidelines (Apr 2026) Official launch (15 Apr 2026)

PPPs: public–private partnerships. ULBs: urban local bodies. O&M: operations and maintenance. DPRs: detailed project reports.

Other Initiatives

Affordable housing, water security and emerging urban growth centres

PMAY-U 2.0

1 crore families

Additional urban housing support target

Build, buy or rent a home
Partnership housing and interest subsidy

Jal Jeevan Mission 2.0

Dec 2028

Mission extended for universal rural tap water

Reliable drinking water services
Sustainable operations and participation

HUDCO’s Role and Growth Opportunities

Long-term finance and project preparation for expanding urban infrastructure

Finance infrastructure

Long-term loans for housing, water, urban mobility and city redevelopment

Tentative financing opportunity for HUDCO:

nearly ₹3 lakh crore

Prepare bankable projects

UiWIN support for DPRs, revenue models and financial structuring to financial closure

A stronger pipeline of projects ready for loan appraisal

Strengthen local finances

Asset monetization, municipal bond readiness, credit enhancement and capacity building for urban local bodies

Wider access to finance for Tier-2 and Tier-3 cities

State partnerships

A pipeline of priority projects through joint identification, UiWIN preparation and financial structuring

Joint development of priority infrastructure projects

Repurposing Our Efforts

Towards Viksit Bharat

Repurposing our strengths to build a stronger, sustainable and future-ready India, aligned with Government of India initiatives.

01 Optimizing resources

02 Recycling and redeployment of funds

03 Strengthening financial capacity

04 Enhancing operational efficiency

05 Strategic partnerships

06 **Sustainable growth and greater impact**

UiWIN: Enabling Urban Infrastructure Financing

Dedicated technical assistance and investment facilitation platform to support implementation of the Government of India's Urban Challenge Fund (UCF)

01 Readiness

- Asset identification and inventory
  Asset register digitization
- Maximizing asset value
  and performance
- Resource identification and
  debt management framework
- Borrowing limits and
  debt servicing capacity

02 Project Formulation

- Project identification,
  conceptualization and implementation
- DPR preparation and
  techno-economic viability studies
- Project structuring
- PPP framework

03 Financial Closure

- Assistance in credit rating
- Strengthening own revenue resources
- Access to multilateral, bilateral
  finance and FDI
- Private funds (PPP) and debt
- Municipal bond issuance

Capacity Building of ULBs

City identification & state commitment	Asset register & monetization analysis	Preparation of comprehensive DPRs	Bankable projects, VGF and GoI scheme convergence	Municipal bonds, PPP and debt intervention

UiWIN: Future Priorities & Goals

Scale UiWIN into a pan-India platform for financially resilient urban local bodies and a sustained pipeline of bankable urban infrastructure projects

Pan-India delivery network

Activate 20 Regional Offices as State-level UiWIN units, supported by regional consultant pools.

Bankable project pipeline

Use technical assistance funding for feasibility studies, DPRs, investment plans and project financial models.

Municipal financial resilience

Strengthen own revenues, asset monetisation, financial disclosures and creditworthiness.

Unified digital platform

Create one interface for project submission, appraisal, financing and monitoring.

Wider access to capital

Enable bonds, pooled finance and PPPs, especially in Tier-2 and Tier-3 cities. Deepen World Bank and ADB collaboration.

Stronger institutional support

Strengthen the 2 ISUs for project preparation and capacity building. Expand training and connect ULBs with technical and financing partners.

Goal: Creditworthy, investment-ready ULBs and a sustained urban investment pipeline

New Financing Initiatives

1. Launch of PPP Project Finance Division

Objective

Support the private sector in creating **bankable infrastructure projects**

> Process initiated to commence lending to PPP projects

Board-approved funding guidelines cover five sectors

Real Estate

Roads

Sea Ports

Airports

Energy

2. Bridge Loan

Objective

Bridge gaps in funding receipts for Government schemes and infrastructure projects

Funding receipts covered

Central assistance

State matching grants for flagship Government schemes or infrastructure projects

Loans from multilateral agencies

Timely liquidity for uninterrupted project execution

Partnership with States

Gujarat
