**Training Programme on Climate Change & Cities – Way Forward for
Adaptation, Mitigation & Resilience**

Housing and Urban Development Corporation's research and training wing, the Human Settlement Management Institute (HSMI) organised conducting a training programme on "Climate Change & Cities – Way Forward for Adaptation, Mitigation & Resilience", in association with CITYNET, Korea from 21.10.19 to 25.10.19. The 5-day programme is being attended by 23 urban development sector professionals and officials, including five overseas participants from CITYNET member countries viz., Sri Lanka, Malaysia, Philippines, Bangladesh and Nepal.

Director, Corporate Planning, Shri M Nagaraj. Shri Nagaraj, inaugurated the programme and stressed the importance of the programme theme in view of the global concern about climate change and sustainable urban development.
